## *A message from Mark Lennox, Co-Founder at IHR*

Mark Lennox  
Co-founder, IHR

“We established these awards to formally recognise the best-in-class suppliers and individuals within the in-house recruitment industry.

Serving as a crucial benchmark, these accolades fuel innovation and customer service, helping to redefine our sector's landscape. Each award is an authenticated mark of brilliance, delivering irrefutable evidence of not just success, but excellence.

It's the recognition each finalist and medal winner truly deserves.”

## *What are the judges looking for?*

Jeremy Russon  
Head Judge

“As judges, we aim to recognise best-in-class industry suppliers by awarding finalist, bronze, silver, and gold accolades. To stand out, suppliers will demonstrate their effectiveness in solving industry challenges whilst showcasing quantifiable metrics and achievements.

All submissions should include client referees to further validate competence and impact. Help us understand not just what you do, but how you excel in making a tangible difference and effect meaningful change.”
